Call for Participation — “Brainware AI Hackathon 2026”

The **AIRDC Cell**, and **Tech Club** of Brainware University are jointly organizing “Brainware AI Hackathon 2026”, which will be held in the month of August, 2026. The Hackathon aims to foster innovation, creativity, and problem-solving abilities among students by encouraging the development of impactful Artificial Intelligence-based solutions across diverse domains.

Guidelines

- **Team Composition:** Maximum 5 students per team
- **Eligibility:** Open to students from all Schools and Departments.
- **Proposal Submission Deadline:** June 22, 2026
- **Prototype Development Phase**
 - Screening:** 2nd Week of July
 - Shortlisting:** 4th Week of July
- **Prototype Presentation:** Aug 2026 before an expert panel (exact date will be notified sometime in the month of July, 2026)
- The Top 3 Winning Teams will earn direct qualification for participation in an external Hackathon.

Special Note for Brainware AI Hackathon 2025 Finalists

Interested finalists of the Brainware AI Hackathon 2025 (excluding the winning teams) will receive direct entry into the Prototype Evaluation Round for the Brainware AI Hackathon 2026, provided they demonstrate significant innovations, enhancements, or advancements in the prototypes previously showcased during the Brainware AI Hackathon 2025.

Proposal Submission

Students are required to submit their project proposals through the official Google Form Link:
